

LISA FREDERIKSEN
Author | Speaker | Trainer | Consultant
Founder of BreakingTheCycles.com and SHD Prevention

39-year Career in Executive Management, Consulting, Speaking, Training, and Writing

- Most recent 13 years have studied current and state-of-the-art research on brain development, wiring, and mapping; toxic stress; substance use disorders; mental disorders; adverse childhood experiences; and related topics.
- Pioneered and articulated connections between neuroscience, social environment, and the developmental causes of substance use and mental disorders, offering new modalities/approaches as to prevention, intervention, treatment and recovery in individuals, families, and communities.
- Developed the concept of secondhand drinking – the negative impacts of a person’s drinking behaviors on others – to address the physical and emotional health and quality-of-life consequences for 90 million Americans who are affected by a person’s drinking behaviors.
- Founded BreakingTheCycles.com and [SHD Prevention](http://SHDPrevention.com).

Author

- Author of eleven books of which the most recent five are on substance use disorders and secondhand drinking, and include: *Crossing The Line From Alcohol Use to Abuse to Dependence, Loved One In Treatment? Now What!, If You Loved Me, You’d Stop!* and *Secondhand Drinking: the Phenomenon That Affects Millions*. Two have been translated into Spanish and published by Editores Mexicanos Unidos, S.A. and are titled: *Si me amaras... dejarías de beber and Adicciones.* and *Codependencia, El ser querido bajo tratamiento... ¡Y ahora qué!*
- Creator of the blog, BreakingTheCycles.com, and author of more than 800 blog posts, articles and guest posts.
- Creator of several short video programs for PennTV (San Mateo County Public Access Television), also available on BreakingTheCycles YouTube channel.

Speaker

- 25 years of public speaking experience with most recent 15 as a National Keynote Speaker.
- Guest expert on a variety of television, radio, and Internet radio and podcast programs.

Trainer

- Single Activity Provider for California Bar Association’s substance abuse/mental illness MCLE (continuing education) requirement (Provider #15372).
- Developed and produced a 46-minute online educational training video using 21st Century brain research explaining alcohol misuse, secondhand drinking, stress and brain health. This video is currently under license and being employed by the Kansas City Police Department and Ft. Irwin National Training Center.
